38. - 40. soruları aşağıdaki parçaya göre cevaplayınız.

For most people, being a member of a large family is sometimes hard. Usually there isn't enough money, so everyone has to do without various things. There are, however, certain advantages; in fact, there are probably more advantages than disadvantages. The other day I saw a family setting off on a day out. The parents, who looked remarkably young themselves, were carrying various bags. The biggest child, who was perhaps fifteen, carried a football. His sister, perhaps two years younger, carried what looked like the family lunch. The four smaller children also had things to carry. The youngest of them carried a toy bear that was almost as big as herself. The family were catching a bus and looked so contented. I wished I could have gone with them wherever they were going.

38- It is clear from the passage that the family described here ----.

- A) isn't used to going out for the day like this
- B) very rarely has a day out together
- C) seldom takes a bus at weekends
- D) is clearly a very rich one
- E) knows how to share its duties

39- We understand from the passage that, although these parents have six children, ----.

- A) they spend very little time with them
- B) they don't really seem to care about them
- C) they are reluctant to spend much money on them
- D) it seems that life has not aged them
- E) it is the four smaller ones that they are most fond of

40- From the passage we can conclude that the writer ----.

- A) himself comes from a large family
- B) is very critical of large families
- C) is more interested in the parents than in the children
- D) feels sorry because the children have all got things to carry
- E) seems to favour large families
